National Institute of Standards and Technology**

**CAB Declaration  
APEC Telecommunications and Information MRA (APEC Tel MRA)**

As the Authorized Representative of the below named organization, by signing this document I hereby declare and commit to the following:

1. I have read and understand:
  - The APEC Tel MRA
  - The requirements and responsibilities for being a U.S. Conformity Assessment Body (CAB) under the APEC Tel MRA
2. I certify that the named technical staff member(s) of this organization in the attached [MATRIX](#) are familiar with the technical regulations for the checked economies:

☐ Australia

☐ Canada

☐ Chinese-Taipei (BSMI)

☐ Chinese-Taipei (DGT)

☐ Singapore

☐ Other \_\_\_\_\_

[Note: Please submit, after completing, the MATRIX document that identifies the technical staff member(s); the economies where this person is the technical expert for; the specific technical areas that competency is being declared with (e.g., telecommunications terminal equipment, radio and wireless equipment, electromagnetic compatibility, etc.); and a list of all standards/test methods in the applicable economy and technology that the CAB is declaration competency.]

3. I will comply with the NIST criteria and the conditions stated in Appendix B of the MRA to both gain designation and maintain designation by NIST.
4. I understand that it is incumbent upon me to notify NIST of any significant changes in this organization's technical staff named as key personnel, changes in accreditation status, changes in location, legal status, or other factors which may affect the organization's ability to perform the functions of a CAB under the referenced agreement.
5. I understand that the designation made by NIST covered by this declaration only relates to this organization operating as a CAB under the APEC Telecommunications MRA for the scope indicated in the designation documents. No other activities of the organization are included under this designation. The organization will not state or imply that it has NIST recognition for any activities other than for those covered by this designation. The organization may however receive other designations by NIST through other means.
